

I was delighted to be asked to judge at the Southern Afghan Club's 53rd Championship show on 7/12/2025. The SAC always have a welcoming, cheerful atmosphere. Thank you to the committee for putting on such a well-run show. A big thank you to my two stewards Pauline and Vikki, who kept the ring running smoothly and efficiently. I was looking for balance, type and movement. A few bitches were too fine with no bone or body. A few were far too overweight. It amazes me how people can show and still have knots in their dogs' coats under the armpits. On the whole, most had adequate front assembly and adequate shoulder placement. Not many had springy pasterns. They moved out but did not float. That said I was delighted with my final lineup. They were all feminine, balanced hounds of correct size and type.
