AGM

We were very sorry to lose Chris Beard, who has done sterling work for Rescue over many years. Chris is very busy studying, and was finding it increasingly difficult to fit everything in. Monica Fairburn has stepped in to take over, and having done the job previously, the transition has been a smooth one. Monica, however, has stepped down from her Committee position, and this space has been filled by Sue Cronk.

The other item of interest, was a proposal by the Committee, that Officers and Committee Members of the Club, and their partners, do not show their dogs at SAC Shows. This was a rule change, and was duly passed by a majority vote.

Dear Member(s) 2005

Enclosed is the schedule for our forthcoming Open Show where we hope to see you. Also included are your ballot papers for our 2006 open shows and 2007 championship show. The ballot slips will be counted during the Show and the top ten names from each list will be 'put in a hat' and drawn at the Show. We used this method last year and it worked out well, making it a little bit more difficult for group voting to be successful! Please use your vote!!

We lose our CCs in 2005 on the rotation basis. We have many ideas for a bumper show up our sleeves, but if any of you have any suggestions we will be only too pleased to consider them. We have permission from the Kennel Club to hold two open shows on the same day, one in the morning and one in the afternoon. We will be holding the shows at our usual venue of Wood Green Animal Shelters and, as this is an expensive venue, we are hopeful that you will all give

these shows your support. If any-one is willing to pledge specials this far in advance, we will not mind at all!

Magazine

Its time to start getting your photos and articles ready for this year's magazine. Please make our Editor's day, and make an early start! All enquiries to Mrs Anita Ledger-Doe, 8 Lampits Hill Avenue, Corringham, Essex SS17 7NY. Tel: 01375 674866

Would those of you with puppies available please let the Secretary know, so that enquiries can be passed on?

Please visit our website at
